To receive full designation advantages and display the ALHS logo, each member must complete the Accredited Luxury Home Specialist (ALHS) course and meet the minimum achievement standard set by the Council. This is defined as representing a buyer or seller, in at least **two** transactions, where the purchase price is at least **two** times the average sales price in the market. The transactions must take place within **24** months of taking the course or anytime prior to taking the course. Agents that represent the seller and buyer may count that sale as 2 separate transactions to assist them in meeting the requirement. Designated Brokers and Principal Brokers may self-certify. You have up to 2 years from the date of your course completion to submit the Achievement Verification Statement.

By my signature below, I represent that the above agent is in good standing with the National Association of REALTORS® and has met or exceeded the two luxury home transactions as outlined in the above paragraph.
